

## 妮芙露馬來西亞公告

# 原訂 10 月 20 日進貨之 NS02 被迫延期.

### 原因爲:

- 塑膠原料調漲, 洗劑量杯無法照之前價格及數量生產.
- 因國際原油調整幅度不定, 導致目前得重新生產, 暫訂 11 月底再進貨.
- 有可能屆時價格會有調整, 故此段時間無法進行”排單”及”貨留公司換貨”造成不便. 公司深感致歉!!

### 建議:

- 請先購買 NS03 大洗劑. 以避免屆時缺貨.
  - 以容量計算 NS03 大洗劑每 1CC 數較 NS02 划算.歡迎購買.

## Nefful Malaysia Announcement

# Estimated stock coming on 20<sup>th</sup> October for NS02 will be extended

### Reason:

- Due to increment of plastic and raw material, unable to provided existing quantity and price for the detergent measurement cup
- Reproduction again due to instability of the pricing of International oil. Estimated stock will be coming in November.
- Due to the possibility of price increase in future, company is not allowed to do any “keep in company” or “keep for exchange” during this period. Sorry for the inconvenience.

### Suggestion:

- Order the NS03 Detergent(1200cc) to avoid any out of stock.
- Base on capability, each 1CC for NS03 is more worth it than NS02.
